Subject: RE: Agenda for Feb 14

Mostly because Maria is speaking to the other nine chemicals, and Brian is speaking on asbestos. It's got a unique regulatory history as you know and we've historically managed most aspects of asbestos use outside the traditional new/existing chemical paradigm, i.e., by NPCD and not CCD.

Subject: Agenda for Feb 14

Hi Doug,

Why does the agenda cover asbestos but not the other nine substances?

Christina Franz
